Products and Services requested but not listed will be charged at our list price.

Fuel surcharges may be added to each Library invoice once the price of fuel reaches \$4.00 per gallon and stays at that level for 30 days. The invoice surcharge will start at .5% (1/2 percent) added to the net invoice total for \$4.00/fuel gallon price. The surcharge may be increased an additional .5% for each 30-day sustained \$.50 rise in fuel costs up to a maximum of a 2% surcharge (30-day sustained \$5.50/gallon) per invoice. The fuel surcharge will decrease in the same manner as fuel prices fall.
