Requesting Physical Loans & Specific Editions

The screenshot shows a library search interface. At the top, there is a search bar with the text "pugs" and a dropdown menu set to "Everything". To the right of the search bar are icons for clearing the search, voice search, and a magnifying glass, followed by a link to "Advanced Search". Below the search bar, there are several filter buttons: "All Filters", "Available online", "Held by library", "Peer-reviewed Journals", and "Open Access". To the right of these buttons is a "Sort by" dropdown menu set to "Relevance". A yellow banner below the filters reads "Still didn't find what you need? Click here to send a request".

On the left side, there is a "Refine your results" panel. It includes a "Remember all filters" toggle switch, a "Show Only" section with checkboxes for "Available online", "Peer-reviewed Journals", "Open Access", and "Held by library", and expandable sections for "Format" and "Library".

The main search results area shows "1-10 of 146,905 Results" and "10 results". A "Save and Export All Results" button is visible. The first result is a "BOOK" titled "Pug" by Fickett, Corinne, published on 2025. It includes a small image of a pug and a description: "Read to learn more about the Pug. Take a quiz to see if you are ready to adopt a bully breed dog like this one. A fact page busts some myths about bully breeds. Also includes a page for caregivers...". There is a "Read More" link and a quote from the book. Below the description is a link to "Get it for me from other libraries". The second result is a "CONFERENCE PROCEEDING" titled "Beyond Pug's Tour: National and Ethnic Stereotyping in Theory and Literary Practice".
